Dear Ms. Dortch:

This letter is to provide supplemental information to the Federal Communications Commission ("FCC" or "Commission") in connection with the above-captioned application submitted by MultiBand Communications, LLC and TransAria, Inc.

The parties certify that the applicants are qualified for streamlined processing under Section 63.03(b)(2)(iii) of the FCC's Rules and Regulations. The proposed transaction will result in the Transferee, including its affiliates, having a market share in the interstate, interexchange market of less than 10 percent; and the Transferee, including its affiliates, will provide competitive local exchange service or exchange access services exclusively in geographic areas served by a dominant local exchange carrier that is not a party to the transaction. 47 C.F.R. § 63.03(b)(2). Neither of the applicants is dominant with respect to any service, nor do the applicants have affiliates that are dominant with respect to any service. 47 C.F.R. § 63.03(b)(2)(iii).

Should the Commission require additional information, please contact the undersigned.

Respectfully submitted,

Katherine C. Lucas
